

Volume 3, Issue 2

Pages 37–98 (July 2017)

Biology of neoplasia

Autophagy: Cell death or survive mechanism

Review article

Pages 37–44

Ozlem Nuray Sever, Osman Gokhan Demir

Biology of glucose metabolization in cancer cells

Review article

Pages 45–51

Adewale Fadaka, Basiru Ajiboye, Oluwafemi Ojo, Olusola Adewale, ... Rosemary Emuowhochere

Indoleamine 2,3-dioxygenase (IDO): Only an enzyme or a checkpoint controller?

Review article

Pages 52–56

Cemil Bilir, Can Sarisozen

Diagnosis in oncology

The assessment of incidental thyroid lesions on 18F-fluorodeoxyglucose positron emission tomography/computed tomography: A single centre experience

Original research article

Pages 57–61

Efnan Algin, Aytug Uner, Umit Ozgur Akdemir, Ozge Gumusay, ... Ahmet Ozet

Thyroid cancer

Comparative investigation of antitumoral effectiveness of Rho-kinase inhibitor Y-27632, pravastatin and atorvastatin in anaplastic thyroid cancer cell culture

Original research article

Pages 62–65

Erdinc Nayir, Selver Cor, Zuhale Mert Altintas, Kansu Buyukafsar, ... Ali Arican

Sarcoma

Systemic chemotherapy of advanced soft tissue sarcomas

Review article

Pages 66–70

Mehmet Besiroglu, Faysal Dane, Aydin Ciltas, Mustafa Benekli

Hepatocellular carcinoma

EpCAM as a novel therapeutic target for hepatocellular carcinoma

Review article

Pages 71–76

Vasanthakumar S, Sasikala P, Padma M, Balachandar V, ... Ganesan S

Health Services

Homeopathy and cancer

Review article

Pages 77–80

Ahmet Unlu, Onder Kirca, Mustafa Ozdogan

Case reports

Successful use of docetaxel for emergency treatment of disseminated intravascular coagulation due to hormone-refractory metastatic prostate cancer

Pages 81–83

Serkan Keskin, Meltem Ekenel, Mert Başaran, Sevil Bavbek

An extremely rare neoplasm, histiocytic sarcoma: A report of two cases with an aggressive clinical course

Pages 84–86

Erkan Kayikcioglu, Asim Armagan Aydin, Arif Hakan Onder, Alper Sayiner, ... Banu Ozturk

Metastatic anal cloacogenic cell carcinoma misdiagnosed as urothelial carcinoma with long survival

Pages 87–88

Burak Bilgin, Mehmet A.N. Sendur, Yetkin Ağaçkiran, Bülent Yalçın

Unexpected skin lesions after axitinib treatment

Pages 89–91

Ali Murat Sedef, Fatih Köse, Elvan Endođru Riřvanođlu, Ahmet Taner Sumbul, ... Özgür Özyılkan

Imatinib and hypophosphatemia: Case report and review of literature

Pages 92–95

Erdem řen, İrem Öner, Özlem Ata

Richter's transformation presenting with superior vena cava syndrome

Pages 96–98

Nuri Karadurmus, Yalcin Basaran, Hilmi Umut Unal, Mukerrem Safali
